

The Christmas Bowl at work in the world in 2003 – 53 projects for 53 years of the Christmas Bowl

Christian World Service/NCCA (CWS) thanks you for your support which has made the following partnerships possible by enabling almost three million dollars to be given during 2003. Your act of giving to the Christmas Bowl, at a particular moment in time, has translated into a better life, a little more hope, for someone, a family or a community in the world. This is Christian fellowship at work when you are invisibly, but tangibly, connected with other human beings. "When you did not do it to one of the least of these, you did not do it to me" (*Matthew 25:45*).
